FunctionUp: Backend-Developer Trainee
September 2022 - Present

- Trained in Backend Development using NodeJS, Express and MongoDB.
- Understand caching fundamentals, familiar with Redis and AWS S3 service.
- Hand-on experience in AWS S3 file upload.
- Practiced logic building on Codewars , CodeZinger, LeetCode at FunctionUp.
- Worked on Total 5+ Server Side Application Backend Projects. [github: https://github.com/Isiikaa](https://github.com/Isiikaa)
- Worked on 2-3 projects based on Frontend Technologies.

Languages

- Hindi
- English

Project

BLOGGING SITE MINI PROJECT

Role: Backend Developer, Tech Stack: JavaScript, NodeJs, ExpressJs, MongoDB, Git and Github.

"Created a blog website where a registered user can write some blogs as well as update those blogs. And other users can see those blogs. Here, I used the JWT package for authentication and authorization prpose"

Inspired By: One Magazine, Medium, Quora.

Github : https://github.com/Isiikaa/project1_blogging-site

Shopping-Cart

Role: Backend Developer, Tech Stack: JavaScript, NodeJs, ExpressJs, MongoDB, Git and Github, AWS S3

"Created an eCommerce website's backend part with 15 APIs based on products, customers, carts and orders. Here, I used the JWT package for authentication and authorization purpose. Here, I also used the S3 service of AWS to upload product images and to store product image URLs in the database. It is all about managing a users cart."

Inspired By: Amazon and Flipkart.

Github : <https://github.com/Isiikaa/productManagement-shoppingCart>

Open-to-Intern

Role: Backend Developer, Tech Stack: JavaScript, NodeJs, ExpressJs, MongoDB, Git and Github, Redis

" In this project, Users can filter colleges to choose which college they want to intern with. A college can check how many interns have already applied for the given internship."

Inspired By: Internshala, Indeed, Naukari.com.

Github : <https://github.com/Isiikaa/open-to-intern>

Education

	Python & Django	2022
BCA	C.S.J.M. Kanpur University (Campus)	2021
XII	R.S.G.U. Inter College	2018
X	R.S.G.U. Inter College	2016

Achievements

- TA at FunctionUp .
- Got the very first milestone project at FunctionUp.
- Solved 150+ questions on Leetcode https://leetcode.com/Vanshika_Dubey/
- Awarded with rank 4 kyu at codewars <https://www.codewars.com/users/Isiikaa>
